

Job title: Finance Manager
Service line: Yondr Group, Finance
Based: Amsterdam
Reporting to: Director of Financial Reporting and Compliance

Job purpose

Yondr is revolutionising the real estate and technology industries. We provide wholly outsourced, end-to-end solutions to meet the capacity and property needs of growing businesses. In the process, we improve business performance, create enriching user experiences, and meet tomorrow's needs today.

But we can't do it without you.

We believe in a tomorrow without constraints and making the impossible possible for our clients. Thinking out of the box and not settling for less, is crucial. In the finance team, we're the same. We're looking for an exceptional, hands-on, finance manager who is a strong all-rounder.

The role

This position is responsible for the financial reporting, internal controls and finance compliance for Yondr Group. Some key aspects of the role include; coordinating the close and financial reporting process, driving tax and statutory compliance, being the go-to person for IFRS. Alongside the finance work, there will be a lot of projects that require finance involvement such as setting up legal entities in new countries, designing compliance and internal control frameworks and updating processes so that they keep up with our business growth. The successful candidate will:

/ Ownership

Take responsibility for the financial reporting, tax compliance and the internal control environment of Yondr

/ High level of IFRS knowledge

Financial reporting and accounting are a key part of this role's responsibilities so strong IFRS knowledge is required

/ Understanding processes

We are a young fast-growing company so creating and upgrading processes to meet the company's goals requires constant attention

/ Organisation skills

This fast-paced business requires multi-tasking. You'll be juggling multiple projects while still making sure that the accounting is correct and timely, so your organisational skills will be invaluable

/ A team player

At Yondr, we're extremely focused on our values, therefore you must be a perfect fit with them - a fully-fledged team player

/ Strong communication skills

Communication skills are vital for the purpose of collaboration, managing expectations and communicating clearly on dependencies and consequences

Qualifications and experience

- / Registered accountant or equivalent post graduate accounting degree
- / Experience with managing the financial close process for a group
